# Wollstonecraft Redevelopment Neighbourhood Update

OCTOBER 2020

## Stay in the know!

Tresillian's historic Family Care Centre, also known as Carpenter House, at 25 Shirley Road, Wollstonecraft, will undergo a major upgrade and work on preparing the site is underway.

Once completed this facility will enable thousands more families to access Tresillian's vital early parenting services. The building features a design sympathetic to the historical nature of Carpenter house which will be fully renovated, while maximising elements such as natural light and views onto Sydney Harbour.

The upgrade to Tresillian Wollstonecraft meets State Planning regulations and has been approved by North Sydney Council.

This newsletter will be distributed regularly to ensure you are kept updated on pre-planning and construction activity.

## Early Works

- Removing ancillary building southern side of Carpenter House and the two storey 1940 extension from the southern end of the southern wing of Carpenter House.

## Milestones

The milestones of the project are due to occur over the below timeline. Please note that these dates are indicative and may change:

- Design Development  
(July 2020 – December 2020)
- Early Works: Construction & Commissioning  
(December 2020 – March 2021)
- Main Works: Construction & Commissioning  
(May 2021 – August 2022)
