Tresillian's Early Parenting Services

The arrival of a new baby and every stage of your child's development is an exciting time, but it can be overwhelming. That's where Tresillian can help.

Our services across the Murrumbidgee District provide support to families with a child aged up to 3 years. Tresillian has Family Care Centres at Wagga Wagga and Griffith where parents can visit for practical advice and support with their baby.

Tresillian Griffith and Wagga Wagga Day Services

Your first Day Services appointment usually takes around two hours where we work in partnership with you to develop a plan that will help towards meeting your goals.

Our specialist Tresillian Nurses and in some cases, an Aboriginal Health Worker, work alongside your Child and Family Health Service. They can help make sense of your child's crying, sleep, advise on breastfeeding, bottle-feeding, nutrition and toddler behaviour and your own emotional well-being, giving you confidence and reassurance.

Virtual Consultations

If you find it's difficult to visit your local Centre due to distance or other challenges, we can arrange a Virtual Consultation with a Tresillian Nurse, via video-link, using your mobile phone or other device.

Our vision is to
give every child
the best possible
start in life.
