

OUR VISION

Every child has the best possible start in life.

OUR MISSION

Tresillian is an early parenting service offering families guidance in the early years of their child's life; supporting parents with breastfeeding, nutrition & settling baby, as well as screening & supporting parents with their own mental health.

OUR VALUES

ACCESS

Access

Parents should have access to parenting support regardless of their status, location or culture.

RESPECT

Respect

We respect difference and we ask this of others. We respond to people and to communities only after we have carefully listened to their needs, concerns and expectations.

PARTNERSHIP

Partnership

Seek to focus the best professional and personal support available to meet each client's needs. We are committed to working nationally with others to support effective parenting.

Integrity

To do what we say and we always say it with respect to others.

Excellence

We invest in professional development and best practice for our clients.

Adaptability

We are flexible and responsive to the unique, changing needs of children and families and provide effective, compassionate, and culturally appropriate care.

Empathy

We understand and value the feelings, experiences, and perspectives of children and families and provide compassionate, person-centred care.
